LET'S WATCH IT

Most of St. Albert's citizens are directly or indirectly very much interested in getting industrial development in our town. Good industry will not only help us to keep our taxes as low as possible, but it will also increase the local employment situation. Elsewhere in this issue, you will find a statement by Mr. Tom O'Dwyer, an Edmonton Real Estate man, who is seriously interested in helping St. Albert with the start of a \$2,000,000. wallboard plant, as we announced in our paper several weeks ago.

Mr. O'Dwyer has the support of the Federal Government but seems to be having unpleasant difficulties with our Provincial Industry and Development Minister, the Hon. A. R. Patrick. This trouble could delay the project for months and months. As most of us are interested in getting a good size industry in our town, it would be a good thing if the St. Albert and District Chamber of Commerce, in close co-operation with our Town Council, invited Mr. O'Dwyer and Minister Patrick to tell the St. Albert citizens what is going on in this case. Mr. O'Dwyer has said he is willing to speak to us at a public meeting. Our Chamber should make arrangements so this meeting could take place as soon as possible. We cannot risk losing this huge industry. After all, industrial development is a matter of life for St. Albert as a whole, and therefore it deserves our keenest attention.

Here you see some members of the Heracles, St. Albert's Junior Soccer Club, during the last Civic Holiday parade. Practice will begin Saturday, September 14th, 9 a.m. at the Vital Grandin School. All boys between the ages of 9 and 16 are welcome. All that is needed are running shoes and shorts.

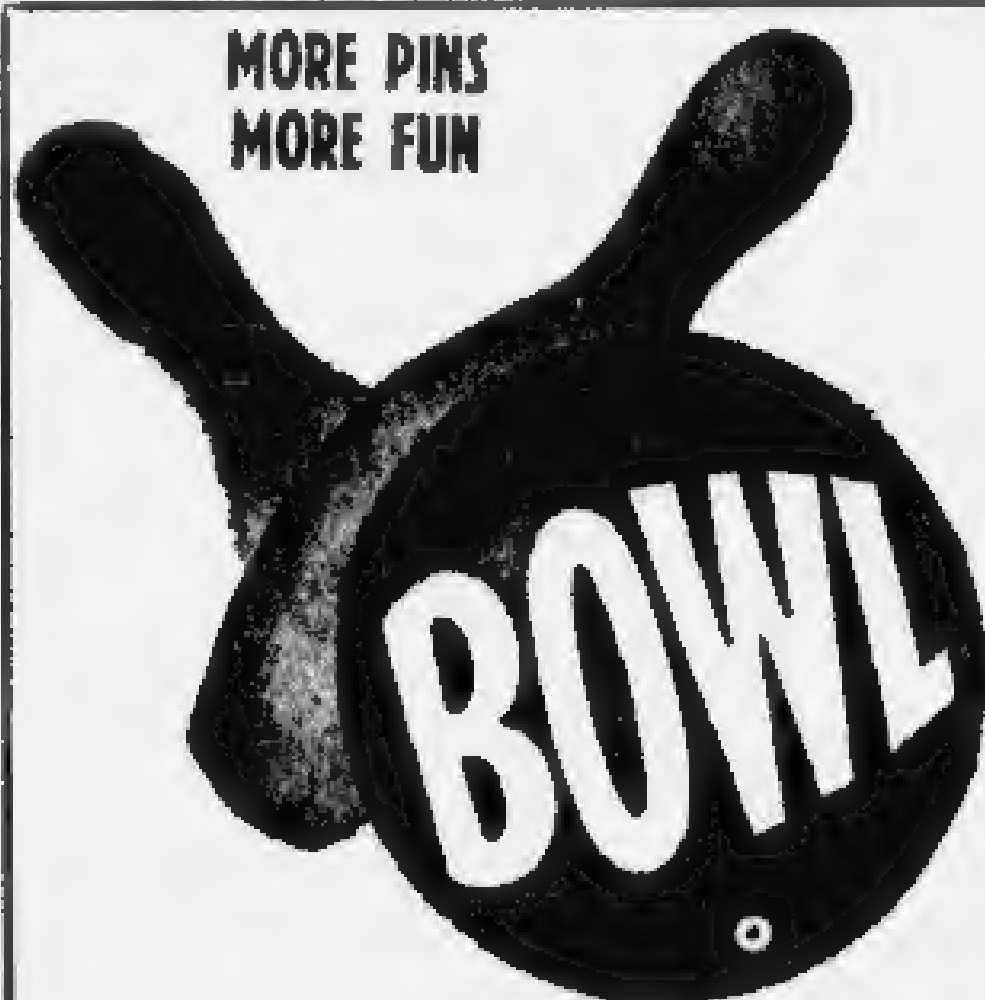

FRANK GLENFIELD TO DIRECT

The St. Albert on Sturgeon Players have chosen two one-act plays for their fall presentation: 'Johnnie Dunn' and 'Curse You, Jack Dalton'. The former, written by an Albertan, is based on Northern Alberta folklore and rivals Michigan's formidable Paul Bunyan. 'Curse You, Jack Dalton' is a melodrama of the old school, complete with helpless heroine and black-mustached villain. The enthusiasm of the drama group for the two plays is matched only by that of their director, Mr. Frank Glenfield. Many will remember last season's 'Papa is All' which was also directed by Mr. Glenfield. Frank is very active in Edmonton drama circles and brings many years experience to his craft. He is also directing a play this season for the Walterdale Play house.

Casting for the fall plays will take place in the Community Hall Thursday, September 5th at 8 p.m., Saturday, September 7th at 2 p.m. and Sunday, September 8th at 8 p.m. Anyone interested in theatre work is urged to come out. Mr. Glenfield stressed that an interest in drama and a willingness to learn are the only requirements. Experience can be acquired. There are in these two plays a wide variety of parts and Mr. Glen-

field promises a ball for actors and audience alike! If you've a latent interest in drama or if you secretly aspire to act, no better opportunity will present itself. Take note of the casting times, or call Club president Delores Knill, 599-6348."the purpose of playing.....to hold, as 'twere, the mirror up to nature" Hamlet, III,2.

UNITED CHURCH

St. Albert United Church Congregation Education Committee has announced that all departments of the Church School will begin operation on the coming Sunday, September 8. Because of the great and rapid growth of the school during the past few years, it has become necessary to reorganize the school and to

offer extra facilities. The following facilities and classes are available:

Nursery at 9:30 a.m. for children ages 1 and 2. This is supervised by adults who are assisted in part by C.G.I.T. girls, so that the parents may attend the service in the Sanctuary. Parents who stay with their children hear the service over a loudspeaker system. **Ten's Time** at 9:30 a.m. for children age 3. This class prepares the children for

the more formally organized Sunday Church School sessions.

Primary Department at 9:30 a.m. for children aged 4 up to Grade 3. This department meets in the lower hall under the supervision of Mrs. E. J. Hole and some 10 other teachers.

Junior Department at 10:00 a.m. for children Grades 4-6. This department meets in the lower hall under the direction of Mrs. J. Leitch and her staff.

Intermediate Department at 11:00 a.m. for students Grades 7-9. This department meets in the Sanctuary under the direction of Mr. P. Carmichael and his staff.

Royal Junior and Intermediate This class meets under the direction of Mrs. E. Tervie in the choir room when they are dismissed from the service in the Sanctuary. This class is open to students who come from the country and have transportation difficulties.

Should sufficient interest be expressed, a class for high school students will be arranged. Persons wishing to work in this Church School program or who have inquiries to make, are asked to call the Minister at 599-4933 or to speak to Mr. Odellieff or to one of the department heads.

Sunday Service News:

Sunday Services continue at 9:30 a.m. each Sunday. Next Sunday, the Sacrament of Infant Baptism will be observed.

ST. ALBERT SCHOOL DISTRICT NO. 6

Monday morning the St. Albert Protestant Separate School District opened its doors to 1973 district children. It is expected that late registrations will increase this number to 1095.

Elementary School enrollments in Sir George Simpson and Sir Alexander Mackenzie Schools totaled 732. Of this number 161 were beginners.

The Paul Kane High School enrolled 335 students in Grades 7 through 12.

The District is once again experiencing an increase in student population. Last June there were 940 pupils enrolled in the District's two schools. This year with the additional facilities provided by the new Paul Kane High School, accommodations are available to house the District's Grade 12 students, the increase in student enrollment, and the further increases which are predicted to take place during the coming year. However, due to the influx of residents into the Grandin Park subdivision, the District has been forced to transport one Grade 2 and one Grade 3 class from the Sir George Simpson School to Sir Alexander Mackenzie School. This condition has also made it necessary to hold all kindergarten classes in the Sir Alexander Mackenzie School.

Although classroom facilities have proven to be adequate for the current school year, it appears that the St. Albert Protestant Separate School Board must give serious consideration to providing additional space in the very near future.

The Party Line

Hello, Hello, Hello, Welcome back after what we trust was a happy summer. Yes - as reluctantly as we will, we must bid fond farewell to summer. The certain sign of which is; the children are all (happily we hope) back to school. Many a mother sighs with relief and wonders how she ever made it from June to September. Yet other mothers, especially those with first graders, are just a little choked up. Fortunately this condition only lasts until one realizes the peace and quiet that has replaced the first grader.

A friend once said she believed the Good Lord made five year olds as obnoxious as they are so as one could send them off to school gladly! Perhaps their teachers are wondering how they'll ever make it from September to June!

Momma's Boy

He can shoe the right feet,
On his own cross the street,
Knows his name and address.

And his prayers, more or less.
As he leaves for grade one - why am I
so undone?

'Cause I'm gaining a man, but I'm losing
a son!

SOCIAL NEWS

Mrs. Frank Glenfield, 4 Granite Ave., has recently returned from a two and a half month vacation in England. Mr. & Mrs. Glenfield are very active in Edmonton and district drama groups. While in London, Mrs. Glenfield attended twelve British theatre productions.

Sgt. and Mrs. H.L. Dubois and family of RCAF Station, Cold Lake, were Labor Day weekend guests at the home of Mr. & Mrs. W. M. Scott, 4 Grandville Ave.

Dr. & Mrs. G. Neufeld, recent residents of St. Albert, were entertained at a farewell party in their honor at the home of Mr. & Mrs. W. M. Scott, 4 Grandville Ave. Dr. Neufeld is leaving to specialize in Medical Electronics in London, England.

Friends and neighbors of Mr. & Mrs. Mark Kinsella and Mr. & Mrs. Athol Brown surprised them with a farewell party recently at the home of Mr. & Mrs. Eric Tandrup, 11 Glenmore Place. Both couples were presented with steak knife sets and the ladies with corsages.

Mr. & Mrs. Kinsella are leaving in Oct. for California. The Browns have left St.

Albert to take up residence in Fort St. John, B.C.

Mrs. Brown was also fêted at a surprise coffee party held at the home of Mrs. Lois Endsborough, 21 Glenmore Place.

OUT OF THE MOUTHS OF BABES

The other day, while driving into Edmonton, I gave a lift to two boys, possibly aged 11 and 12. I don't know the boys' real names but for the telling's sake I'll call them Tom and Dick (of St. Albert). As we approached the new Bonaventure Motel a conversation began that went like this:-

Tom - "You know they're building a swimming pool at that motel?"

Dick - "Yeah, a big one, really neat!"

Tom - "I wish we could go there."

Dick - Yeah, but we can't - you have to be staying in the motel - just anybody can't swim there."

Tom - "Gee, wouldn't it be somethin' to have a swimming pool like that in St. Albert?"

Dick - "I'll bet if the town built one and even charged only a dime a time they would pay for it in a year and then make some money for themselves."

Tom - "Try and tell older people that!"

Dick - "Yeah, by the time they get around to building a pool in St. Albert you and me'll be old men!"

Tom - "You'd think people would care about having a swimming pool 'cause if their kids don't learn to swim they could drown sometime."

Dick - "Yeah!"

Obtaining a swimming pool may not be a simple financial matter as these boys estimate but let's hope they're not 'old men' when a swimming pool in St. Albert is a reality. Furthermore, let's hope their grim prediction doesn't take your child or mine!

**Parochial Picnic, Sunday September 8**
